Shake

Highland wooden shingles style

With a design inspired by traditional wooden shakes, Metrotile's Shake combines traditional style with outstanding strength and durability to deliver the best of both worlds in this roof tile.

This roofing solution features a strong, corrosion-resistant steel core covered with a natural stone chip. Paired with being lightweight and storm-proof, Shake is an obvious choice for reroofing or newbuild.

Size - overall (mm)
1330 x 415

Tiles per m²
2,15 pcs

Weight per panel
3,01 kg

Size - cover (mm)
1265 x 368

Roof cover
0,466 m²

Easy installation

handling and cutting are easy, perfect for reroofing

Pitch
10°-90°
